PROFESSIONAL PROFILE

Dr Vinit Suri is a well-known **Senior Consultant Neurologist** with **34 years of experience since DM (Neurology)**. He has been the **Coordinator of the Department of Neurology at Indraprastha Apollo Hospital, New Delhi, since 1998**, and has trained DNB residents since 2006.

He has had an illustrious academic journey, securing several gold and silver medals during his MBBS at UCMS, University of Delhi, including the **gold medal for standing first in the Final Professional examination**. He **topped the DM entrance examination** and completed his DM (Neurology) training at G.B. Pant Hospital, New Delhi (1990–1992).

His principal interest is **stroke**, particularly **acute reperfusion therapy and secondary prevention**, on which he has lectured widely at national and international meetings. He has served the specialty in elected and organisational roles, including **President of the Indian Stroke Association (2019–20)** and **President of the Delhi Neurological Association (2022–23)**. He is the single author of *Clinical Neurological Examination and Localization* (Springer, 2021; second edition, 2024).

CAREER HIGHLIGHTS

- **Led two major neurology bodies:** President of the Indian Stroke Association (2019–20), after serving as its Secretary, Treasurer and Vice-President, and President of the Delhi Neurological Association (2022–23).
- **Organised international congresses:** Organising Secretary, World Stroke Congress 2016, Hyderabad; Chairman, Local Organising Committee, AOCN–IANCON 2022, New Delhi; Organising Chairman, 12th Indian National Stroke Conference (INSC 2018).
- **Wrote two textbooks as sole author:** *Clinical Neurological Examination and Localization* (Springer, 2021; expanded second edition, 2024, 39 chapters).
- **Shaped national stroke guidelines** as co-author of Indian Stroke Association consensus statements on acute ischemic stroke (2018) and on stroke care during the COVID-19 pandemic (2020).
- **Delivered three orations:** Presidential Orations of the Indian Stroke Association (2020) and the Delhi Neurological Association (2023), and the Prof. B.C. Bansal – Uma Bansal Oration of API Delhi (2014).
- **Honoured nationally**, including the Apollo Best Clinician Award (2024), Chikitsak Ratna (2022) and *The Economic Times* Top Neurologist Award (2018).
- **Created a public-health tool:** developed the StrokesOS app to close the treatment gap in acute stroke across India.
